Sir,

Compensation to dependants of Indian Seamen killed by enemy action on board S.S. 'De Weerat' - Khader Mohideen.

With reference to your letter No.W.769 dated 14-10-43, I have the honour to state that the deceased Khader Mohideen has three brothers - Abdul Karim, Vazir Ahmed and Abdul Mazid, aged 28, 20 and 15 respectively. The first two are living in Hallare village, Nanjangud Taluk and ~~xxxx~~ other at Gargeswari. They own a house at Hallare worth about Rs.200/-, and 19 acres and 11 guntas of dry land valued at Rs.20/- per acre. These lands have been given for "vara saguvali" and they they get about 10 pallas of ragi or jola per year, which is said to be insufficient to maintain themselves and need about Rs.200/- more per year. They have no other means of livelihood and had partly depended on the

deceased brother. Vazir Ahmed is reported to be suffering from Asthma and is living with his elder brother Abdul Karim. Hence the aforesaid Abdul Karim being the eldest member of the Joint Family, claims on behalf of himself and his brothers who are the only surviving relatives, as the deceased was unmarried and his parents are also no more. The form M.P.B. 406(1) in duplicate and the report of the Amildar, Nanjangud Taluk are enclosed for kind perusal.

I enquired the villagers of Hallave re the dependants of the deceased Seaman, Khader Mohidan. Showing their means of living and the extent to which they were dependant upon the deceased, and drawn up a mahajar on 4-11-43. The Mahajar is submitted for kind perusal: It is ascertained that the three brothers were partly depending on the deceased for their livelyhood. Though the brothers have some dry lands, the yield that they are getting every only sufficient for about six months. And for the rest of the year they have to depend on others. Under the circumstances recorded in the mahajar I am of opinion that they deserve some reasonable compensation from the govt.
